

**ADDENDUM TO COLLECTION AND DISPOSAL OF SOLID WASTE
AND RECYCLING CONTRACT**

AI Clawson Disposal, Inc. ("Clawson") and the Ranch at Cypress Creek Municipal Utility District No. 1 (the "District") previously entered into a Collection and Disposal of Solid Waste and Recycling Contract dated September 13, 2013 (the "Contract"). Clawson and the District now mutually desire to amend the Contract to modify the contact and collection services provided for the District, and, in consideration of the mutual covenants contained in this Addendum and in the Contract, agree as follows:

1. Section 2.01(e) Services Provided. Instead of two (2) additional bags per household per week to be collected, Clawson agrees to collect a total of five (5) additional bags per household per week at no additional charge.
2. Effect of Addendum. Except as specifically provided in this Addendum, the terms of the Contract continue to govern the rights and obligations of the parties, and all terms of the Contract remain in full force and effect as modified by this Addendum.

Executed to be effective October 21, 2014.
